

Who we are

Humanist & Secularist Liberal Democrats is for all Liberal Democrats who seek a humane approach to public ethical issues and an end to privilege and discrimination based on religion or belief.

We are an Associated Organisation within the party, and are affiliated to both Humanists UK and the National Secular Society.

What we believe in

- ✓ A free, fair and equal society for all, regardless of religious or non-religious belief
- ✓ A state that does not identify itself and its citizens with any one religion
- ✓ Freedom of belief, and the right to manifest that belief in ways that do not impose it on others or restrict the freedom of belief of others
- ✓ That what unites us as liberals is stronger than our differences of belief
